**INSTRUCTIONS FOR PRESENTATIONS TO THE BOARD BY PUBLIC**

The Bullis Charter School (“School”) welcomes your participation at the School’s Board meetings. The purpose of a public meeting of the Board of Directors (“Board”) is to conduct the affairs of the School in public. We are pleased that you are participating and hope that you will attend these meetings often. Your participation assures us of continuing community interest in our School. To assist you in the ease of speaking/participating in our meetings, the following guidelines are provided.

Agendas and copies of materials and presentations provided to the Board are available to all participants by request via webinar chat.

“Request to Speak” forms (“Blue Slip”) are available to all participants who wish to speak on any agenda item. “Public Comment” is set aside for members of the audience to raise issues that are not on the agenda. Due to public meeting laws, however, the Board can only listen to your issue, not respond or take action. These presentations are limited to up to three (3) minutes and total time allotted to non-agenda items will not exceed fifteen (15) minutes; at the discretion of the chair, individual presentations may be allotted less than three minutes when necessary in order to accommodate a greater number of speakers. The Board Chair may provide direction to staff to respond to your concern.

With regard to items that are on the agenda, please note on a Blue Slip the item about which you wish to comment. You will be given an opportunity to speak, generally prior to when the Board discusses that item, and for up to three minutes, but may be less in the discretion of the Chair. To speak on an item, you must submit a Blue Slip prior to the time the first member of the public begins to address the Board on the item, or the earlier closing of public comment if no one has submitted a Blue Slip on the item.

When addressing the Board, a speaker should state his or her name and address and must adhere to the time limits set forth. Please remember to address the Board and not the audience.

Members of the public may request, but not require, that a topic related to school business be placed on a future agenda. Only when an item is properly agendized and publicly noticed can the Board can respond, interact, and act upon the item.
